# TOP IT PRIORITIES
2016

hSo has asked its customers what their biggest IT priorities and challenges were for the New Year.

## WHAT ARE YOUR PLANS FOR DELIVERING SIGNIFICANT IT CHANGES IN 2016?
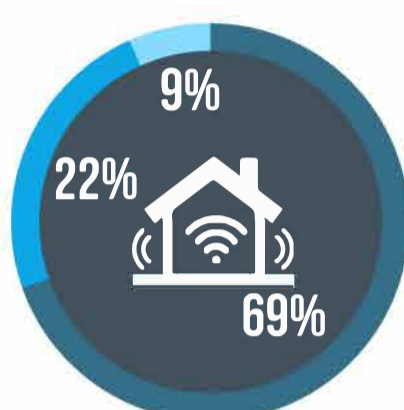

- ■ Done already
- ■ To do this year
- ■ Not this year

Server virtualisation & move to the cloud
9%
58%
33%

Desktop virtualisation
30%
37%
33%

Remote working
9%
22%
69%

46%
Increase IT security (DDoS, firewalls, etc.)

49%
Expand network connectivity

43%
Upgrade/replace their phone system

WHAT ARE THE BIGGEST BARRIERS TO IT CHANGE?

IT Staff are already over-stretched	Inadequate IT budget	Existing systems are adequate for now	Security concerns
80%	**51%**	**53%**	**50%**

➕ **30%** management reluctance/complacency

27% corporate culture is not suited for significant change.

LAST BUT NOT LEAST...
98%
of our customers would consider recommending hSo.
